DEADLINE FOR CLAIMING CTP REFUNDS EXTENDED TO 30 JUNE 2019

NSW vehicle owners will have more time to claim their CTP refund worth up to \$120, with the NSW Government extending the deadline for claiming from 30 September 2018 to 30 June 2019.

Minister for Finance, Services and Property Victor Dominello said 2.2 million vehicle owners had already claimed \$128 million worth of refunds, yet there was still \$58 million still to be claimed by 1.35 million vehicle owners.

“There are so many families and households who could benefit from these refunds, which is why we are extending the deadline,” Mr Dominello said.

“Claiming a refund is simple and easy and can be done via Service NSW either online, over the phone or in store.

“The new CTP scheme is a triple win for motorists who receive a cheaper Green Slip, a partial refund on what they paid last year and faster benefits should they be injured on the road.”
